

Complaint about childcare provision

Ref: 139628/4593049

Date: 29 October 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 October 2020, we received concerns that the provider was not meeting some of these requirements.

On 13 October 2020, we carried out a regulatory visit and telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has put in place procedures to ensure any visitors to the premises are clear that no smoking is allowed in the garden area, even if they do not have direct contact with minded children. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
