

Compliance action taken for childcare provision

Ref: EY549416/4554020

Date: 2 November 2020

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 January 2020, we carried out an inspection and found the provider was not meeting some of these requirements. The inspection report sets out the actions the provider was asked to take to meet the requirements.

On 27 October 2020, while routine inspections were suspended, we carried out an interim visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions, raised at their last inspection. We found that staff were deployed well to meet children's needs and stored records confidentially. The medication policy is implemented well, and staff have a secure understanding of each children's health and individual needs. Club supervisors receive clear induction training to understand their roles and responsibilities, which helps them manage the club effectively. We are satisfied the provider has met the safeguarding and welfare actions raised at their last inspection. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
