

## **Complaint about childcare provision**

Ref: EY543310/4607861

Date: 11 November 2020

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 October 2020, we received concerns that the provider was not meeting some of these requirements.

On 3 November 2020, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 16 November 2020:

- ensure you follow your legal responsibility under the Equality Act 2010, specifically by making sure there is no discrimination in the work place.

On 17 November 2020, we carried out a regulatory visit and monitored the welfare requirements notice. We found that the provider had taken steps to meet their responsibilities under the Equality Act 2010.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
