

## **Compliance action taken for childcare provision**

Ref: EY447882/4607804

Date: 12 November 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 October 2020, the provider notified us of a safeguarding allegation. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any allegations of serious harm or abuse by any person living, working or looking after children on the premises.

On 10 October 2020, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 19 November 2020:

ensure the policy and procedures for safeguarding children reflect those of the local safeguarding children partnership (LSCP) and are followed in the event of an allegation of abuse being made against a member of staff

ensure allegations of abuse are responded to appropriately.

The provider updated their policies and procedures and will follow these procedures in the event of any future incidents. They fully understand their responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
