

Complaint about childcare provision

Ref: 145991/4641346

Date: 7 December 2020

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 November 2020, we received concerns that the provider was not meeting some of these requirements.

On 1 December 2020, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take . The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 15 December 2020:

- ensure that safeguarding procedures are in line with the guidance and procedures of the Local Safeguarding Children Board, with particular regard to managing allegations against staff.

We are satisfied with the action taken and the provider remains registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
