

## **Compliance action taken for childcare provision**

Ref: EY422896/4633370

Date: 27 November 2020

### **Summary of outcome**

All early year's providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework](http://www.gov.uk/government/publications/early-years-foundation-stage-framework). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 November 2020 we received concerns that the provider was not meeting some of these requirements. We have served an action that requires the provider to take the action below within the timescales set out.

On 16 November 2020, we carried out a regulatory visit. We found that the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

We also found the provider had failed to notify Ofsted, within the required timeframe, of changes relating to the person managing the provision, which is a requirement of their registration.

Actions needed by 07 December 2020.

Ensure that all practitioners have the appropriate skills, knowledge and a clear understanding of their roles and responsibilities, particularly if they are left in charge of the provision.

The provider has taken appropriate steps to meet the action. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
