

## **Compliance action taken for childcare provision**

Ref: 254224/4548609

Date: 17 December 2020

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 September 2019 we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be requires improvement. The inspection report sets out the action the provider was asked to take to meet the requirements.

On 10 December 2020, while routine inspections were suspended, we conducted an interim visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare action raised at their last inspection.

We found that the provider had taken some steps to improve the monitoring of staff's performance and supervision arrangements. They are planning to further improve this aspect of their practice over the coming months. We will continue to monitor progress.

We are satisfied the provider has addressed the safeguarding and welfare action raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
