

## **Compliance action taken for childcare provision**

Ref: EY546651/4385063

Date: 1 June 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 November 2019, we received information that raised concerns that the provider was not meeting some of the requirements. Following this, we carried out a visit to the setting on 13 December 2019. We have issued the provider with a notice to improve that requires them to take the actions below within the timescale set out.

**Actions needed:**

ensure suitable management of the provision make sure there is suitable manager and a named deputy who is able to take charge at all times by 02 February 2020.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Ofsted has received an appropriate response to the action to demonstrate that requirements are now met.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
