

Compliance action taken for childcare provision

Ref: EY422536/4668280

Date: 23 December 2020

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

'All early years providers must meet the legal requirements in the 'Statutory framework for the early year's foundation stage', which you can find at <https://www.gov.uk/government/publications/early-years-foundation-stage-framework> If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 December 2020, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage.

On 23 December 2020, we carried out a telephone regulatory event to discuss the notification. We found the provider had taken immediate action to make sure the premises are safe and hygienically clean and that staff are following Covid 19 guidelines. The provider had reviewed and improved procedures for notifying staff and parents of potential cases of Covid 19. The provider will be able to give parents further information about this.

The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
