

## **Compliance action taken for childcare provision**

Ref: EY542730/4670411

Date: 12 January 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23rd December 2020, we received concerns that the provider was not meeting some of these requirements.

On 11th January 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We found that the setting had not shared information in relation to suitable people, in order to safeguard children, but has since taken steps to address this. In addition, we have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 11th February 2021:

¿ ensure that all people involved in the employment of staff are fully aware of their responsibilities, including their duty to make a referral to the Disclosure and Barring service when required.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
