

Compliance action taken for childcare provision

Ref: EY453286/4641306

Date: 13 January 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic. All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 November 2020, we received concerns that the provider was not meeting some of these requirements. On 16 December 2020, we carried out a regulatory visit and found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 28 December 2020: Child protection 3.7 give full regard to the government's statutory guidance 'working together to safeguard children' when following your safeguarding policy and implementing your safeguarding procedures. Child Protection 3.4 ensure the policy and procedures, to safeguard children, are in line with the guidance and procedures of the relevant Local Safeguarding Children Partnership (LSCP) On 12 January 2021 we received a response from the provider and we are satisfied they have met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
