

Complaint about childcare provision

Ref: EY426919/4660641

Date: 15 January 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 09 December 2020, we received concerns that the provider was not meeting some of these requirements.

On 13 January 2021, we carried out a regulatory telephone call. We found the provider was not meeting a requirement of her registration. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted. Action needed by 26 January 2021:

put procedures in place to ensure a record is kept of any occasion where physical intervention is used and to inform parents of this on the same day, or as soon as reasonably practicable.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
