

Compliance action taken for childcare provision

Ref: EY236704/4553787

Date: 24 September 2020

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic. All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 September 2020, while routine inspections were suspended, we carried out an interim visit process by telephone. The focus of the telephone call was to check whether the provider had met the safeguarding and welfare action, raised at their last inspection. We found that the provider had not met the action set at their inspection on 22 March 2018. We have issued an action for the provider to take. This also means that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration. The provider will be able to give parents further information about this.

Action needed by 12 October 2020

provide Ofsted with the necessary information to enable suitability checks to be completed on committee members.

The provider has submitted information to Ofsted about the committee members to enable suitability checks to be completed. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
