

Compliance action taken for childcare provision

Ref: EY548754/4698610

Date: 9 February 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

Whilst routine and assurance inspections of early years and childcare provision remain suspended, we are continuing with EY regulatory work. We have completed additional regulatory work looking at the information that we hold about this provider. The focus was to check the provider was meeting requirements following a concern since their registration visit.

On 3 February 2021 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 19 February 2021:

- ensure all required documentation and information is available and accessible for Ofsted to review, with particular regard to staff qualifications.

We will monitor the provider's response to ensure the action/s are successfully completed.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
