

Compliance action taken for childcare provision

Ref: EY368926/4659423

Date: 17 February 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 December 2020 we received concerns that the provider was not meeting some of these requirements. On 10 February 2021 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 22 February 2021:

- increase your knowledge and understanding of safeguarding, with specific reference to informing Ofsted of significant events.

We will monitor the provider's response to ensure the action is successfully completed.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
