

## **Complaint about childcare provision**

Ref: EY541201/4714969

Date: 18 February 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 February 2021, we received concerns that the provider was not meeting some of these requirements. On 16 February 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. We found the provider now ensures that at least one person who has a current paediatric first aid certificate is on the premises and available at all times when children are present. The provider also now ensures that staffing arrangements meet the ratio and qualification requirements. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
