

## **Complaint about childcare provision**

Ref: EY495175/4673099

Date: 22 February 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 December 2020, we received concerns that the provider was not meeting some of these requirements.

On 20 January 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. The provider resigned their registration prior to the actions being issued. The provider will be able to give parents further information about this.

- ensure all relevant documentation is easily accessible and available for inspection.

The provider is no longer registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
