

Complaint about childcare provision

Ref: EY463521/4716818

Date: 3 March 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 February 2021, we received concerns that the provider was not meeting some of these requirements.

On 25 February 2021, we carried out a regulatory visit. We found the provider was not meeting a requirement. We have issued the provider with a notice to improve. The provider is still registered with Ofsted. Action needed by 11 March 2021: Improve risk assessments to ensure all reasonable steps are taken to ensure children and staff are not exposed to risks: this relates to keeping emergency exits free from obstruction.

The provider responded within the required timescales. We are satisfied with the action taken. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
