

## **Compliance action taken for childcare provision**

Ref: EY550083/4698671

Date: 22 March 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic. All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

Whilst routine and assurance inspections of early years and childcare provision remain suspended, we are continuing with EY regulatory work. We have completed additional regulatory work looking at the information that we hold about this provider. The focus was to check the provider was meeting requirements following a notification and a concern being raised since their registration visit.

On 11 March 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 18 March 2021:

- ensure the required procedures and forms are completed to enable Ofsted to check the suitability of all committee members in a timely manner.

The committee submitted the required information to enable their suitability checks to be processed.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
