

## **Complaint about childcare provision**

Ref: EY471304/4748263

Date: 31 March 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we take action to ensure they put matters right.

On 19 March 2021, we received concerns that the provider was not meeting some of these requirements. This was relating to an historical incident.

We found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration.

On 23 March 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. This included improving the deployment of staff to meet the needs of all children and reviewing the risk assessment process to improve the safety and security of the premises. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
