

## **Compliance action taken for childcare provision**

Ref: EY255108/4266277

Date: 13 November 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework-2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework-2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 November 2019 we completed an inspection and found that this provider was not meeting some of these requirements.

We have served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 6 December 2019:

provide Ofsted with the necessary information so that the required checks can be completed on new members of the committee, to confirm their suitability

ensure all reasonable steps are taken to prevent unauthorised persons entering the premises

ensure that staff consistently use appropriate strategies to manage children's behaviour

improve the monitoring of staff's practice to ensure that the quality of teaching helps all children make at least good progress.

In line with our procedures we completed a monitoring visit on 9 December 2019. We found that the provider had taken appropriate steps to meet the requirements. The next visit will be a full inspection.

The provider remains registered with Ofsted.
