

Complaint about childcare provision

Ref: EY276478/4727941

Date: 9 April 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 February 2021, we received concerns that the provider was not meeting some of these requirements. On 19 March and 8 April 2021, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has consulted with other agencies to ensure that their procedures for reporting any allegations follow those of the Local Strategic Safeguarding Partnership. All staff had been made aware of these changes. The provider will be able to give parents further information about this. We are satisfied with the action taken by the provider. The provider is still registered with Ofsted.
