

## **Compliance action taken for childcare provision**

Ref: EY546803/4748164

Date: 29 March 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 March 2021, we received concerns that the provider was not meeting some of these requirements. On 23 March 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and we issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 31 March 2021:

- take immediate steps to ensure children are kept safe on outings, with particular regard to the use of child car seats
  
- take immediate action to ensure the safety of all children and identify, and remove or minimise, all risks and hazards to children's health and safety.

The provider subsequently took the appropriate action. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
