

## **Complaint about childcare provision**

Ref: 311085/4744225

Date: 12 April 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic. All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 March 2021, we received concerns that the provider was not meeting some of these requirements. On 23 March 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 2 April 2021:

¿ ensure that Ofsted are provided with the necessary information to enable checks to be completed to establish the suitability of anyone age 16 years living or working on the premises.

On 12 April 2021 we found that the provider has provided Ofsted with the necessary information to enable checks to be completed to establish the suitability of anyone age 16 years living or working on the premises.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
