

Compliance action taken for childcare provision

Ref: EY417681/4721032

Date: 1 April 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 March 2021 and 31 March, we carried out regulatory telephone calls. We found that the provider had failed to notify Ofsted of significant events, which is a requirement of their registration. We issued the provider with a notice to improve. This required the provider to take the action below within the timescale set out. The provider will be able to give parents further information about this.

Action needed by 7 April 2021:

- gain a secure knowledge of the notifications that must be made to Ofsted.

The provider subsequently took the appropriate action. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
