Ref: 110100/4746398

Date: 13 April 2021

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2 If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On the 17 March 2021, we received concerns that this provider was not meeting some of these requirements. On the 24 March 2021 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. This is a legal notice that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 9 April 2021

take immediate action to ensure that Ofsted are provided with the relevant details of all committee/trustee members so that the required checks can be completed to verify suitability

make sure the committee/trustees have appropriate induction, training, skills and knowledge, to help them have a clear understanding of their roles and responsibilities

ensure all managers and staff have the skills and knowledge to fulfil the requirements of their role.

We will monitor the provider's response to ensure the action's are successfully completed. We received notification that the provider has improved their knowledge and understanding of information that is required for training, support and skills as well as what needs to be notified to Ofsted and now fully understands their responsibilities. We are satisfied the provider has met the actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
