

## **Complaint about childcare provision**

Ref: 2559333/4755144

Date: 14 April 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 March 2021, we received concerns that this provider was not meeting some of these requirements. Concerns related to Safeguarding practice, Accident or injury, Risk assessment and Information for parents and carers.

On 14 April 2021, we carried out a regulatory telephone call to the provider. We found the provider was not meeting some of the legal requirements and had taken action to put this right. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
