

Compliance action taken for childcare provision

Ref: EY549531/4449979

Date: 15 April 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 February 2020, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be inadequate. The inspection report sets out the actions the provider was required to take to meet the requirements.

We took steps to cancel the provider's registration. The provider appealed to an independent external tribunal, the Health, Education and Social Care First-tier Tribunal. We successfully applied for the appeal to be struck out on the basis that the provider no longer had access to the registered premises. The provider's registration is therefore cancelled.
