

Compliance action taken for childcare provision

Ref: EY539483/4734337

Date: 6 May 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 February 2021, we received concerns that the provider was not meeting some of these requirements. On 4 May 2021 we carried out an unannounced regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action taken by the provider:

- Staff have undertaken various training to update their knowledge and understanding of the policies and procedures they must follow should they have an allegation made against them or are concerned about the suitability of a member of staff.
- The manager has clear strategies in place to oversee and monitor staff skills, knowledge and understanding of their role and responsibilities. This ensures everyone is up to date regarding their roles and responsibilities to keep children safe from harm.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
