

Complaint about childcare provision

Ref: EY394991/4753293

Date: 7 May 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 March 2021, we received concerns that the provider was not meeting some of these requirements.

On 30 April 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements.

We suspended the provider's registration because we believe children may be at risk of harm. Suspension allows time for the provider to take steps to reduce or eliminate the risk of harm to children. The provider has a right to appeal against a suspension. The provider may not provide childcare for which registration is required while the suspension is in place and may commit an offence if they do so.

Following the suspension, the provider resigned their registration with Ofsted.
