

## **Compliance action taken for childcare provision**

Ref: EY241306/4774092

Date: 17 May 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic. All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 April 2021, the provider notified us of an incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events. On 30 April 2021 we received concerns that the provider was not meeting some of the requirements.

On 13 May 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. They had improved their process for demonstrating how they meet the requirement relating to ratios and revised the risk assessments. They had also enhanced their procedures for ensuring that staff share information with parents on a daily basis. The provider will be able to give parents further information about this. The provider is still with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
