

Complaint about childcare provision

Ref: 119605/4760079

Date: 17 May 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic. All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 6 April 2021, we received concerns that the provider was not meeting some of these requirements.

On 4 May 2021 and 17 May 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 31 May 2021: 'improve systems for supervising staff, including the manager, to ensure senior managers have a clear understanding of practice and can provide effective support, coaching and training, relevant to staff's needs'.
