

Compliance action taken for childcare provision

Ref: EY425092/4755869

Date: 19 May 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 April 2021, we received concerns that the provider was not meeting some of these requirements.

On 26 April, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 7 May 2021:

- keep an accurate record of all children's hours of attendance
- ensure that all areas of the environment do not pose any risk to children, including the lounge and the hallway.

On 6 May 2021, we received the provider written response to the actions set. We are satisfied the provider has met the safeguarding and welfare actions raised. We found that the provider has taken action to implement registers of attendance. In addition, the provider has undertaken a full risk assessment of the home to eliminate any potential risks to children. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
