

Complaint about childcare provision

Ref: EY357625/4771183

Date: 29 April 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 April 2021, we received concerns that the provider was not meeting some of these requirements.

On 26 April 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 21 May 2021:

- ensure all staff have up to date knowledge of safeguarding issues, including the Prevent duty guidance, and are able to identify signs of possible abuse and neglect.

On 6 May 2021, the provider responded to the action set. We found that the provider had taken steps to improve the safeguarding knowledge and understanding of their staff. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.
