

## **Compliance action taken for childcare provision**

Ref: EY487171/4784667

Date: 26 May 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework](http://www.gov.uk/government/publications/early-years-foundation-stage-framework). If we find that a provider is not meeting the requirements, we take action to ensure they put matters right.

On 19 May 2021, we carried out a regulatory event. We found the provider had failed to previously notify us of an earlier significant event in February 2020. This means that the provider did not meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which could affect the suitability of the early years provider or any person who cares for, or is in regular contact with children. The provider will be able to give parents more information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
