

Complaint about childcare provision

Ref: EY498885/4788307

Date: 19 May 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 May 2021, we received concerns that the provider was not meeting some of these requirements.

On 17 May 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 2 June 2021:

- improve the organisation of all information and records to ensure that they are easily accessible and available upon request
- ensure that all confidential information and records about staff and children are held securely

We will monitor the provider's response to ensure the actions are successfully completed.

On 01 June 2021, the provider responded to the actions set. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
