

Compliance action taken for childcare provision

Ref: EY495028/4748300

Date: 8 June 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 March 2021 we received a notification form the provider. The information received raised concerns that this provider was not meeting some of these requirements.

On 5 May 2021 we carried out a regulatory visit. We have issued a notice to improve. This notice requires the provider to take the actions below within the timescale set out. The provider will be able to give parents further information about this.

Actions needed by 3 June 2021:

ensure accurate records of all occasions where physical intervention is used to manage children's behaviour are maintained

The provider has responded appropriately to this action. She has implemented robust systems to make sure that all incidences of serious behaviour are recorded in detail and shared with parents. Staff will attend behaviour management training to increase their knowledge and understanding. The behaviour management policy has been reviewed and will be shared with parents.

The provider remains registered with Ofsted

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
