

Compliance action taken for childcare provision

Ref: EY281363/4790569

Date: 11 June 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 May 2021, the provider notified us that the setting did not act in accordance with their procedures to meet children's dietary requirements. The notification was not made within the required timescale to notify Ofsted of any significant event, which means the provider did not fully meet their legal responsibilities, as set out in the 'Statutory framework for the early years foundation stage'.

On 27 May 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has organised and implemented additional training, coaching, and mentoring, to ensure that staff are fully aware of their responsibility to follow correct procedures to meet children's individual dietary requirements. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
