

Underley Garden School

Kirkby Lonsdale, Carnforth, Lancashire LA6 2DZ

Inspection date

12 May 2021

Overall outcome

The school meets all of the independent school standards that were checked during this inspection

Main inspection findings

Part 3. Welfare, health and safety of pupils

Paragraphs 7, 7(a), 7(b), 9, 9(a), 9(b), 9(c), 11, 14, 16, 16(a), 16(b), 32(1) and 32(1)(c)

- The Department for Education (DfE) commissioned this inspection to check the school's safeguarding policy, health and safety arrangements and approaches to behaviour management. This was a result of issues identified in complaints.
- The safeguarding policy is informed by the latest statutory guidance. The policy is published on the school website. Staff are clear about their roles and responsibilities. They complete suitable safeguarding training. They also have regular safeguarding updates. This has included recent training on recording and reporting any concerns.
- The designated leader for safeguarding is effectively trained for his role. He receives up-to-date training to keep his knowledge fresh and enable him to carry out his responsibilities appropriately. As a result, he is confident leading the safeguarding team in the school. Leaders maintain detailed records in regard to safeguarding, such as chronologies of any concerns. This contributes to leaders having a clear overview of provision for the vulnerable pupils at Underley Garden.
- The proprietor body has an appropriate behaviour policy in place. As many pupils have complex needs, it explains in detail what leaders consider to be misbehaviour. It defines a list of suitable rewards and sanctions. Leaders keep detailed information on any incidents and how staff have responded to them. This information is used by leaders to review the effectiveness of provision and improve it further. The written risk assessment policy is suitable. It describes appropriate features of risk assessments, including the level of risk. It also references how to report accidents. There are apt risk assessments in place that cover a range of activities and situations. This includes, for example, the use of specialist equipment for cooking activities and school trips.
- Leaders have a detailed health and safety policy in place. The policy ensures that relevant health and safety laws are complied with. As the school has three separate buildings, the policy states clearly who is responsible for what aspects of safety in each area. The policy also outlines the ways in which the school will monitor and

review procedures. The policy links to the school's safeguarding policy, the management of the COVID-19 (coronavirus) policy and risk assessments.

- Staff supervise pupils well. During this inspection, pupils' behaviour was calm. Pupils going to a swimming lesson lined up quietly and orderly. Leaders have recently upgraded the school environment. This includes the continuing development of the Holly Tree building. Areas are well equipped for the needs of pupils at the school. For example, there are sensory areas for use by pupils.
- The independent school standards that were inspected in this part are met.

Part 4. Suitability of staff, supply staff, and proprietors

Paragraph 19

- The proprietor body's register of checks on members of staff show that staff are suitable to work with pupils. There is also a record of the required checks made on those with management responsibilities. Leaders presented examples of staff's employment files. These contain copies of the expected evidence of checks that leaders make on staff before they appoint them.
- Leaders do not intend to use supply staff. However, if they were to do so, leaders have procedures in place to check agency staff are suitable to work with pupils.
- The independent school standards that were inspected in this part are met.

Part 8. Quality of leadership in and management of schools

Paragraph 34(1), 34 (1)(a), 34(1)(b), 34(1)(c)

- The proprietor body and school leaders show good knowledge and understanding of the independent school standards. They have ensured that the standards that were inspected are met.
- Leaders oversee the work of staff well. Staff give pupils a high degree of support. The headteacher and deputy headteacher are experienced school leaders. A new head of service has also been appointed. As a group, they have a strong understanding of how to meet the needs of the pupils in the school.
- A governing body is in place to hold senior leaders to account. The head of service and the headteacher present information to governors on a termly basis. The chair of governors has a secure understanding of the independent school standards and the necessary knowledge and expertise to carry out his role effectively.
- The proprietor body has put in place suitable policies and procedures that promote pupils' well-being and safety. The premises are well maintained and fit for purpose.
- Leaders have ensured that all the independent school standards in this part are met.

Schedule 10 of the Equality Act 2010

- There is a suitable accessibility plan in place that takes account of the needs of the pupils at Underley Garden. The requirements under schedule 10 of the Equality Act 2010 are met.

Compliance with regulatory requirements

The school meets the requirements of the schedule to the Education (Independent School Standards) Regulations 2014 ('the independent school standards') and associated requirements that were checked during this inspection. Not all of the standards and associated requirements were checked during this inspection.
