

## Compliance action taken for childcare provision

Ref: EY405101/4802025

Date: 15 June 2021

### Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 June 2021, we received concerns that the provider was not meeting some of these requirements.

On 8 June 2021, we carried out a regulatory phone call. We found the provider was not meeting all of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. Action needed by 28 June 2021:

- ensure that a relevant first-aid qualification is maintained at all times. (CR4 Qualifications and training)
- develop a secure understanding of the events and changes that must be notified to Ofsted. (CR10 Providing information to Ofsted)

We will monitor the provider's response to ensure the actions are successfully completed.

We received written confirmation from the provider that they have taken action to book on to an appropriate first-aid course and have developed a secure understanding of the events that must be notified to Ofsted.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
