

Compliance action taken for childcare provision

Ref: EY493423/4819060

Date: 29 June 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 June 2021, the provider notified us of an incident that happened to child in the nursery. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of any significant events. On the 28 June 2021, we contacted the provider and asked for details of their internal investigation into the incident. On 29 June 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of these requirements and had taken action to put this right. The provider has spoken to all staff to reiterate the importance of safety, safeguarding and safe practice by staff while in the presence of children. In addition, Staff have also been issued with copies of the Code of Conduct and Staff behaviour policy to ensure they have a secure understanding of their role. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
