

Complaint about childcare provision

Ref: 402223/4743777

Date: 8 April 2021

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On we received concerns that this provider was not meeting some of these requirements. We issued a notice of action to improve. This is a notice that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed:

put appropriate arrangements in place for the supervision of all staff, including the management team, that allows them to discuss sensitive, confidential issues and provides support – by 23/03/2021

The provider has now taken appropriate steps to meet the action raised.

The provider is still registered with Ofsted.
