

Compliance action taken for childcare provision

Ref: EY277588/4806365

Date: 7 July 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic. All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 June 2021, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be inadequate. We served a Welfare requirements notice. This is a legal notice that requires the provider to take actions. The inspection report sets out the actions the provider was required to take to meet the requirements.

On 29 June 2021 we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions, raised at their last inspection. We found that the provider had improved their knowledge and understanding of child protection procedures and now fully understands their responsibilities. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
