

## **Complaint about childcare provision**

Ref: 2597919/4796779

Date: 2 July 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 May 2021, we received concerns that the provider was not meeting some of these requirements.

On 10 June 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 6 July 2021:

- secure knowledge and understanding of effective risk assessment and take all reasonable steps to ensure children are not exposed to risk
- put effective procedures in place to ensure that sleeping children are checked frequently
- provide and share purposeful information with parents to ensure children's needs are effectively met.

The provider has successfully completed the actions set. The provider is still registered with Ofsted.
