

## **Compliance action taken for childcare provision**

Ref: 2553562/4800213

Date: 8 July 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 May 2012, we received a concern that this provider was not meeting some of these requirements.

On 15 June 2021, we carried out a regulatory visit to the provider. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take within the timescale set out below. The provider will be able to give parents further information about this.

Action needed by 1 July 2021:

- put effective measures in place to ensure that all staff working with children are suitable to fulfil the requirement for the role.

On 1 July 2021, the provider responded to the actions set. We found that the provider had taken action to improve their recruitment procedures and implemented a revised induction plan for new staff to ensure they understand their roles and responsibilities.

We are satisfied the provider has now met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
