

Compliance action taken for childcare provision

Ref: EY537487/4809127

Date: 6 July 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 10 June 2021, we received a notification that this provider was not meeting some of these requirements. On 6 July 2021, we carried out an unannounced regulatory visit. Following this visit, we have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 13 July 2021:

keep an accurate daily record of the names of the children being cared for on the premises and their hours of attendance

ensure safeguarding policy and procedures are in line with the guidance and procedures of the relevant Local Safeguarding Children Partnership (LSCP), and include an explanation of the action to be taken when there are safeguarding concerns about a child and in the event of an allegation being made against a member of staff

train all staff to understand the safeguarding policy and procedures, particularly the procedures to follow if they have concerns about an adult.

on 15 July 2021 we received a response from the provider that indicates they have taken suitable measures to address the actions.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
