

Compliance action taken for childcare provision

Ref: 310377/4819143

Date: 19 July 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 June 2021, the provider notified us of an incident that had happened to a child in their care. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 23 June 2021, we carried out a regulatory telephone call to request the provider complete an internal investigation. On 19 July 2021, we carried out a regulatory call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed risk assessments to further enhance children's safety and strengthened the procedures for transitioning children to the outdoors. In addition, the provider has refreshed staff's understanding of these procedures to ensure that they are followed correctly to prevent a reoccurrence in the future. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
