

Complaint about childcare provision

Ref: 2504744/4835306

Date: 20 July 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 July 2021, we received concerns that the provider was not meeting some of these requirements. On 14 July 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 9 August 2021:

- maintain accurate child protection documentation, in particular records of concerns and incidents of poor behaviour
- make sure all records are readily available for inspection, as required
- take action to improve knowledge and understanding of changes to notify Ofsted.

We will monitor the provider's response to ensure the actions are successfully completed.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
