

Compliance action taken for childcare provision

Ref: EY551969/4826848

Date: 27 July 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 June 2021, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be inadequate. The inspection report sets out the actions the provider was required to take to meet the requirements.

On 15 July 2021, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions raised at their last inspection.

We found that the provider had not met all of the actions set. We suspended the provider's registration because we believed children may be at risk of harm. Suspension allows time for the provider to take steps to reduce or eliminate the risk of harm to children. Following our decision to suspend the registration the provider took the decision to resign the registration. The provider is no longer registered with Ofsted.
