

## **Compliance action taken for childcare provision**

Ref: EY252927/4821725

Date: 9 August 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early year's foundation stage', which you can find at <https://www.gov.uk/government/publications/early-years-foundation-stage-framework> If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 June 2021, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any serious accident, illness or injury to, any child while in their care, and of the action taken.

On 5 August, we carried out a regulatory telephone call with the general manager of the setting. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider now ensures that children with severe allergies are vigilantly supervised by staff at snack time. This is to ensure children are not drinking or eating from other children's cups and plates. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](https://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
